

CAIN IS NEW REP

Fred F Cain, Democrat of Wilmington, became the first resident of Wilmington to be elected a Representative in the Legislature in 32 years, by winning the election contest, in Tuesday's voting.

Cain handily defeated Ralph Porter, Woburn Republican, winning by a margin of 3136 votes.

Cain won in both towns, Wilmington and Burlington, and was

only one vote behind Porter in the sixth ward of Woburn.

It was the first try for political office by the Wilmington auto dealer, who has won many distinctions in his business and civic life, including the Benjamin Franklin award by the Saturday Evening Post.

Mr Cain, who has maintained a residence in Wilmington for the past 25 years, is a native of Woburn and is the father of seven children. He is married to the former Anne

Walsh of Wilmington.

Wilmington was previously represented by Ralph Currier, of Boutwell Street, a Republican, during the late 1920's and early 1930's.

Previous to that its Representative had been Herbert N Buck, in 1912.

STUDENTS PROTEST LIBRARY BAN

In identical letters to the Supt. of Schools and the Town Manager nine High School seniors, eight boys and a girl, have protested the Wilmington Public Library policy that excludes students from the library after 7 pm.

The policy, instituted about a year ago, and reported in the Town Crier at that time, is to exclude students from the library after 7 pm in order that there be room for adults, in the limited space of that institution.

The library, prior to the setting was accommodating a dozen or more students each evening, some of whom had been noisy. It was also unable to meet a demand at times for several dozen or more copies of a volume which was needed at that moment by students on special assignments, and having to search for reference statements.

The letter, signed by Allan Mc Phee, Owen Marr, Thomas Manuel, Miss Pat Masterson, Glenn Milley, Paul Malatesta, Wayne Gardner, John W Hamilton and Eric Wells read:

Dear Sir;

We are writing this letter to you in protest to a policy of the Wilmington Public Library.

After 7 pm the reference table of the library is closed to high school students. In doing this the library is catering to the minority segment of the Wilmington High School. These are the students who live near the library, don't have any extra-curricular activities, and who don't work after school.

A great number of the student body are transported home from school by bus. This factor makes the library inaccessible to them after school.

They must therefore wait until they can be driven or drive themselves to the library. Since most families have but one car, the student must wait for his father to return home from work with the family car.

Allowing the father one hour to eat supper and drive his child to the library, this would mean the average bus student couldn't reach the library until 6:30 pm.

This would give him a half hour

to do his reference work. Students who participate in extra curricular activities aren't released usually until 5:30 pm. They therefore have the same problem as the bus students. Also, students who work after school are cut off from using the library altogether, concerning reference work.

The high school has a good library, but it only remains open until 3:30 pm. A student may also use the high school library during study periods. The problem here is most students have one or two studies, and some students don't have any.

The library officials claim that the library is crowded at night, but very few adults use the reference table. Our solution to the whole problem is that any student who wishes to use the reference table for school work obtain a note from the teacher for whom he is doing the work. Then he could be allowed to use the reference table at the discretion of the librarian. Only students with such permits would be allowed to use the table.

Respectfully

DUCK HAS SOME FRIENDS: A white duck, one of a pair that were on Silver Lake early this summer, and known to residents of the area simply as 'Duck' has acquired some friends, namely Mallard Ducks, on their way south for the winter. She leads her new-found friends to the home of Mrs Alma Williams of Grove Avenue, each evening, for supper.

Her friends will soon be leaving for the warm southland, but Duck will have to stay on the lake all winter - her wings are clipped. (Postmaster Henry Porter is feeding an even larger flock of Mallards each morning, on the pond at Rotary Park).

OPEN HOUSE FOR ALL SCHOOLS

Parents of Wilmington School Children have been invited by the faculties of the various public schools in Wilmington to attend an 'Open House' in the Wilmington Public Schools, to bring themselves up to date on the progress of their children, and to mark the celebration of American Education Week, November 8-14th.

The dates, and times of open house in the various schools are: Nov. 9th, Wildwood and Swain Schools, 7 to 9 pm
November 10th, Boutwell, Walker, Center, Woburn Street and Whitefield Schools, 7 to 9 pm.
November 12, Glen Road, Rogers and Buzzell Schools, 7 to 9 pm
November 16th High School, for

families whose last names begin with the letters A through L, 7 to 9 pm.

November 18th High School, for families whose last names begin with letters M through Z, 7 to 9 pm
November 17th North Intermediate School, 7 to 9 pm

ANOTHER \$500,000 BORROWED

NO ORAL ARGUMENTS IN TAX CASE

The Supreme Judicial Court of Massachusetts has received briefs submitted by the Town Counsel and the attorneys for the petitioners in Wilmington's Assessment Case. The briefs were submitted this week.

Town Counsel Philip Buzzell and Attorneys Alexander Finer and Joseph F Courtney have waived oral arguments, before the court, in order to expedite consideration by the highest court of the Commonwealth. A decision is expected this month.

By agreement of the attorneys the town will continue to withhold the mailing of tax bills, pending the decision of the court.

Filed in September, there are two petitions which allege that the Board of Assessors of Wilmington had discriminated against owners of land zoned for industrial and commercial use. The petitioners claim that the Assessors singled out such land for a special revaluation resulting in increases in assessed value ranging from 300% to 2000%.

Technically the attorneys are at this time arguing 'demurrers' before the court. These are objections of law, raised by the Town Counsel, saying that the petitioners are not entitled to 'relief' from the court, and that the petitioners have an 'adequate remedy at law' by appealing individually to the state Appellate Tax Board. The

Town's objections were sustained in Superior Court, but the presiding justice then reported his finding to the Supreme Court for a determination as to whether or not it was correct.

If the high court rules against the petitioners the matter will be settled. However, if the petitioners prevail, it is to be expected that the cases will then revert back to trial in the Middlesex Superior Court for a final determination of facts.

Meanwhile the Town of Wilmington in the past week borrowed another \$500,000 with 'Anticipation of Revenue' bonds, in order to meet current obligations such as payrolls. This brings the total for temporary debts to \$2,502,805.

A very favorable rate of interest was received due to the fact that Wilmington is the only town in the Commonwealth borrowing at this time. The new bonds are to be redeemed at the end of the year.

GIRL SCOUT NEWS

Mrs Charles Lounsbury, Mrs Joseph Filipowicz, Mrs Richard Miller and Mrs John Foley at-
tended the recent Regional Con-
ference of Girl Scouts of Region
One (New England States) at the
Hotel Statler in Boston. The high-
lights of the meeting were de-
scribed at a meeting of the Girl
Scout leaders of the Wilmington
Tewksbury area.

A Mother-Daughter supper for
Cadet Girl Scouts was held at the
Methodist Church on Oct. 21st.
After the Flag ceremony a Song
Program was presented by Troop
354. Miss Sharon Briggs, Senior
Girl Scout from Andover described
her experiences at a Girl Scout
Campus conference in upstate New
York last summer. She also told
the Cadets of the upcoming national
and international events.

Mrs Henry Mack, Council Troop
Committee member, and a former
leader of a Cadet Girl Scout Troop
described the program for Cadet
Girl Scouts, (girls in grades seven,
eight and nine). She spoke of the
urgent need for additional adults
to assist in this program, as the
girls in this age bracket enjoy a
very active program. Any adult
willing to share a few hours with
these girls should call Mrs Frank-

Dear Larz:

As a citizen of Wilmington,
I was glad to attend the recent
Baldwin Civic Association meeting
and hear the discussion about the
tax rate controversy. It was a
pleasure to hear citizens and of-
ficials discussing something as im-
portant as this in an adult man-

are spent by our elected and ap-
pointed officials and welcome any
opportunity to hear and discuss
whatever issues need clarification
with them.

Dear Larz:

Many thanks for printing Bob
Sanders letter. The Town Crier
arrived in today's mail as I was
putting the finishing touches on
the Reformation Sunday sermon.
The letter conveyed the material
I've chosen to quote to help convey
the same spirit that Bob spoke of
in his letter.

You may be interested to know
that next Sunday a Roman Catholic
layman from Austria, a journalist
and lecturer, will lecture at our
adult and student study hour Sunday
morning, and will speak during the
11 am service of worship.

He will speak in the Newman
Center Sunday evening under the
joint sponsorship of the United
Christian Foundation (Protestant)
the Newman Club, and the History
Department of the University on
the theme: 'Vatican Council III'.

You can see that some of what
Father Berube and Bob Sanders
has been up to is catching on out
here. It is a much slower process
in Western Massachusetts, but we
are getting there.

Thanks again for helping with
my sermon. It is not the first
time you have done it!

Sincerely,
Dick.

Dear Larz:

I would greatly appreciate your
printing this letter in your next
issue.

TOWN NOTES

Hundred Acre Meadow

As was noted photographically in
last week's issue, the Town of
Reading is worried by the gravel
operations which are taking place
in North Reading, beside the Ip-
swich River.

The river flows through the Hun-
dred Acre Meadow, which starts
at Jenks' Bridge, and runs down-
stream for a mile and a half. The
name goes back to the early Colo-
nial days.

It is thus of interest that the
Hundred Acre Meadow was dis-
cussed in a special Town Meeting
in Reading last week. The Town
Meeting members were concerned
lest the gravel operations in North
Reading threaten the water sup-
plies of Reading, in the Hundred
Acre Meadow.

One of the members of the Town
Meeting noted that the Town of
Reading purchased, in 1895, the
Mill Rights to Lobs Pond, from
the town of North Reading, and at
that time the dam was removed
which had been used to flood the
meadow.

By the simple expedient of re-
storing the dam, the Town Meeting
Member pointed out, the Town of
Reading could flood out the work
on the North Reading side of the
river, and thus stop the work.

And also, let it be added, provide
skating for the residents of Wil-
mington on the Hundred Acre Mea-
dow. T

Years ago, when it was regularly
flooded each winter, the Wilming-
ton boys thought nothing of skating
to North Reading, and Charlie
Blaisdell, over 70 years ago, went
all the way to Lynnfield, on one
occasion.

Charlie started at Maple Meadow
Brook, where it crosses Lowell
Street, near the present home of
Uncle Avco.

Rather Voter than...

Sergeant Ellsworth of the Wil-
mington Police Department is a
man who would rather vote first
than any thing else. Always, there
he is, at election time, the first
man in line to pick up a ballot.

He marks it hurriedly, and then
scurries around to the ballot box,
First to Vote!

It's been going on for years!
But Sgt Ellsworth met his come
uppance, Tuesday morning.

He was in the High School early.
At six am he was already to march
up and get his ballot.

But three of his fellow cops were
conspiring, and they placed one of
the high school janitorial staff, who
also happens to live on a street
beginning with 'M' in line, to get
his ballot.

Ellsworth lives on Marjorie Rd.
He waited, fuming, while the high
school employee got his ticket,
before he could get his own.

And the three cops --. They
didn't have to wait for someone
else to get out of the way. They
each got a ballot, and raced to
fill it out, and get to the ballot
box.

As it was Ellsworth, by super-
efforts, got to the ballot box second
--but Officer John Ritchie was
there before him!

BROOKE WAS TOPS IN VOTING

Edward W Brooke, Attorney General of Massachusetts was the top Vote Getter, in Wilmington Tuesday.

The confidence of the people of Wilmington in Mr Brooke was expressed by 4266 votes, 35 more than were cast for President Johnson. Senator Ted Kennedy came in at third place, with 4210 votes, and Wilmington's Fred Cain was the only other candidate to top 4000.

A total of 5716 voters cast their ballots, with 76 absentee ballots, and 2 that Warden Harold Melzar called 'partial' in that they voted only for presidential electors.

80 ballot counters, working under the direction of Town Clerk Esther Russell, completed the task of counting the votes in about nine hours.

Wilmington's voters were never before so much given to 'splitting their tickets' the ballot counters declared. The voters jumped from Republican to Democratic candidates, and back again.

The oddest report was of one ballot in which, the tellers said, the voter marked a cross against every candidate from the Prohibition party, and then voted Yes on all three questions in the Liquor Referendum.

STICKNEY WILMINGTON CHAIRMAN OF EMARC

William Stickney, 12 Linda Road N Wilmington has been appointed the Wilmington Fund Chairman of the East Middlesex Association for Retarded Children. Mr. Stickney's appointment was announced Tuesday by Robert Belbin of Reading, EMARC president.

Belbin, in making the appointment, stated that the appointment was extremely fortunate. Mr. Stickney, not a member of the EMARC, and having no retarded loved ones, has been a constant friend of the Association, and an ardent campaigner to combat men-

tal retardation, and to deal with its problems, Belbin stated.

Stickney is a member of the Wilmington Finance Committee, a public service he has discharged for the past decade, and is a member and trustee of the Wilmington Methodist Church. He has participated in many church drives, and was chairman of the Building Fund Drive which saw a new church built a few years ago. He has been active in numerous civic charitable drives.

A native of Malden, he and his wife Elaine have been Wilmington residents for the past 17 years. They have one son, William D. Stickney, now serving in the US Air Force as an instructor in Air Force Rescue and Survival training. Mr. Stickney was a member of the US Air Force in World War II. He is sales representative in textile dies and chemicals in the Northern New England area.

Stickney told the Town Crier that he was pleased and happy to serve as Fund Chairman of EMARC, for Wilmington.

The greater portion of all funds raised by EMARC remains within the nine community organization, to support its many programs and projects. A part of the money goes for the support of research into mental retardation. Recent breakthroughs in the past few years are

encouraging, and hold promise that one day medical science will discover and eliminate all causes, Stickney told the Town Crier.

The Wilmington EMARC Drive is scheduled for November 15 thru November 30.

STUDENTS PREFERRED BELLOTTI

Wilmington High School students preferred Bellotti two to one over Volpe.

The Students Council conducted an 'election' in the High School on Monday, and 721 of the students voted for Bellotti, with only 343 voting for Volpe for Governor.

Johnson received 791 votes for President, and Goldwater 271

BEST GAME SINCE LYNNFIELD---

Last Saturday's game between Dracut & Wilmington High Schools was a Must game for both teams. The team which lost would be eliminated from the winning of the Lowell Suburban Championship.

It was the hardest fought game for Wilmington since the Lynnfield game of three years ago.

Both teams were superb in defense. Wilmington had a chance early in the game, only to fumble on the Dracut two yard line, a fumble which Dracut recovered.

The game was a stalemate until the third quarter, when late in that period Wilmington's QB Billy Ritchie intercepted a pass on his own ten yard line, and returned it to the Dracut 11. This was the turning point of the game.

The next play, from scrimmage, saw Ritchie hit Billings with a nine yard pass, to completion. Ritchie then took the ball on a Quarterback Sneak and picked up one yard and a first down. On the next play FB Jimmy Newhouse took a handoff and went into the end zone for the only score of the game.

Next Saturday Wilmington plays a non-league game at N. Reading.

ATHANES HITS NEWHOUSE: Dracut's Bill Athanes, on the 45 yard line, tackling Wilmington's Fullback Jimmy Newhouse.

SELECTMEN'S MEETING

Monday's Selectmen's meeting was rather short and quiet. Mr. Brooks was absent, and the board went into executive session before 9 pm to discuss Personnel Regulations.

Reserve Funds
The board approved a transfer application for the sum of \$200 from the Reserve Fund to the recently appointed Regional Vocational School Planning Committee. Also voted was requests for transfers of \$3,085 to the General Welfare fund, and a transfer of \$1,384.86 to Interest on Anticipation of Revenue notes.

The vote for the \$3,085 sum was tentative, pending a reply from the state Department of Corporations and Taxation, from a letter sent by the Town Manager.

The Town Manager told the Selectmen that he had written to the Director of Accounts, requesting authorization to exceed the original appropriation in an amount not to exceed \$3000. The original appropriation was for \$187,000 with estimated Federal grants of \$89,300, and \$97,000 to be raised by taxation.

Town Park
Selectman Lloyd Bender made the suggestion that the Town Memorial Park be developed for a possible recreation center.

He said that as a result of the discussions of the last meeting he had received suggestions along this line of thought from people who had happened to read of it.

Bender thought that the removal of rocks would facilitate the construction of a ski slope, or a toboggan slide.

TM Bouchard was in full agreement with Mr Bender on the suggestion, and suggested the board that a topographical survey plan should be initiated which would be worked out as in the manner of the Water Exploration program.

Bender asked if it could be possible to do some grading so that the area could be used this winter, and Bouchard reported that the present schedule for Town equipment was such that it could not be handled, but that he would look further into the matter.

Welfare Director
Welfare Director Walter Coleman reported to the Selectmen that the current medical assistance program, now a part of the Social Security Act, is calling for more funds for the welfare program.

Treasurer & Collector
In the executive session the proposal of the TM to consolidate the office of Treasurer and Collector was discussed by the Selectmen, but without any definite result.

Bouchard is proposing that the two offices be consolidated, with the new Collector and Treasurer having an assistant, or deputy Collector and Treasurer.

DISCUSSION TO BE HELD
AT NOVEMBER LWV MEET

The League of Women Voters of Wilmington will have as their guest speaker next Monday Arthur Brownell, of the Department of Natural Resources of the Commonwealth. The speaker is associated with the Division of Conservation, and will speak on 'Land and Water Needs of Massachusetts'. There will be a question and answer period.

The General Meeting, open to the public, will be held at 8:30 pm in the Legion Hall, on Middlesex Ave.

CUB SCOUTS PAPER DRIVE

Pack 56, Cub Scouts, is planning a Paper Drive for November 21st. Interested parties who can help may call Larry Daniell, 658-4916

PAFEC MOVIE

The Parents and Friends of Exceptional Children will show a full length film in color on Gulliver's Travels, in the Barrows Auditorium of the High School, Saturday, at 1 am and 1:30 pm.

The donation is 35 cents, and the funds will be used for the chil-

dren. The film will be especially interesting to children.

ST THOMAS CHURCH

Masses, Sunday, at 7, 8:15, 9:30 10:45 and 12 noon. Weekdays at 6:45 am. Saturday a mass is also sung at 8 am.

The annual Bishops Thanksgiving Clothing Drive started Sunday. Budies may be left at Villanova Hall or the garage.

Confessions will be held Thursday at 4 and 7:30 pm. At 7:30 pm there will be a Doctrine Course with the subject 'The Messiah'. For particulars on Adult Discussion Clubs call Lawrence Doucette at 814586.

First Friday Masses are at 6:45 am and 12 noon. On Saturday at 7:45 pm there will be a First Saturday devotion to honor Our Lady of Fatima.

Sunday the Holy Name will have a Communion at 8:15 am, followed by a breakfast and meeting, with a film and panel on Anti-Semitism. All men are invited. The series of four breakfasts and dues are \$5.00.

On November 11 at 10 am there will be a CCD Teachers Convention at Boston College. Mother DeLaCruz and William Ready, celebrated teachers, are to be the speakers.

KOSHER BACON

The front page of the Crusader, last week, was filled with libelous statements. This was the answer to the Town Crier's statement of two weeks ago that the Crusader does not mail out copies to 'readers' who live on the US Mail City Delivery Routes of Wilmington.

The publisher always mails copies to the advertisers, actual or potential, who live on these routes. He very infrequently mails to the 'readers'. This would cost money.

He believes that the advertisers are happier when they can read each others advertisements.

And to keep these advertisers happy he puts in false advertisements - without the knowledge or permission of the firms being advertised.

Suppose that a Peanut Butter Sandwich firm advertises in the Crusader.

To keep that firm advertising Mr Rubinoff will promptly display advertisements from a firm that sells Apple Butter Sandwiches, and from another that sells Bacon Sandwiches.

This is what is known as Selling Kosher Bacon.

1965 SCHOOL BUDGET EQUALS \$3 TAX INCREASE

The 1965 School budget of Wilmington, signed by the School Committee in a special meeting on Oct. 29th represents an increase in taxes for the town, in 1965, of about \$3, (if there were no more revenue for Wilmington in that year).

The total increase of the budget over that of 1964 is \$165,533.88.

In a statement released at the time of the signing of the budget the School committee said:

Reasons for Increase in 1965 School Committee Budget

1. To provide pay increases for teachers brought about by the enactment of a state minimum teacher's salary of \$5,000, coupled with the adoption by the School Committee of a minimum salary of \$5,200 for beginning teachers in Wilmington; thus the new salary schedule for Wilmington teachers with a Bachelor's degree will be \$5,200 - \$8,000, effective September 1, 1965. The School Committee believes that this schedule will keep them competitive with the surrounding towns in terms of teacher recruitment and selection \$43,833.90

2. To place thirteen (13) new teachers employed for September 1964, because of the opening of the new Woburn Street Elementary School and other program improvements, on full salary status for the year 1965: \$60,843.17

3. To employ five (5) new teachers, because of growth, for the September-December, 1965 pay period \$9,000.00

4. To operate the Dental Clinic which has been carried on by the Wilmington Health Clinic with funds from the Community Chest and other agencies; these funds have dwindled to a point where they can no longer maintain this very fine program; also for other health services because of growth. \$4,643.66

5. To provide for individual adjustments in the salaries of nurses, clerical help, administrators, coaches, and substitutes; also for additional accounting services. \$9,257.68

6. To provide for increased transportation services. \$11,298.80

7. To provide for increased costs in utilities (light, telephone, water) for a whole year in the operation of the Woburn Street School, and nominal increases for all other schools. \$4,400.00

8. To provide for increase in instructional materials and equipment because of growth, replacement, and improvement \$15,792.75

9. To provide for improvement of athletic program (hockey) replacement of cafeteria equipment, and nominal increases in the cost of libraries, educational TV, and other School Committee expenses \$6,463.92

Total Increase \$165,533.88

The School Committee anticipates that state aid for 1965 will be \$262,262.13, an increase of \$38,505.15 over 1964; also that between \$40,000 and \$50,000 may be available in federal funds to help defray the costs of the overall town budget. (The state aid is provided for in Chapter 70 of the General Laws, and the federal aid in Public Law 874 - Ed).

Privacy is just one of the wonderful things about an extension phone

Why have to shout over the noise of TV? Or shoo other people out of the room? An extension phone lets you call in quiet privacy. Saves a lot of running around the house. And it's a reassuring presence on your bedside table. A second phone costs only a fraction more a month than the first, yet doubles your telephone convenience. Call your Telephone Business Office. You'll find the number in the front of your directory.

EGG THROWING THIS TIME

A few residents of the Hathaway Acres section of Wilmington, about a year ago, were subjected to the attentions of an unknown person who hid in the bushes near their homes, and threw rocks through their windows.

That person seems to have resumed his activities, the police of Wilmington believe, as the result of reports received during the last few days.

Someone is hiding in the bushes and throwing eggs at passing cars. Twice in two days eggs have hit

**WALKER SCHOOL
 MOTHERS CLUB**

Mrs Dorothy Fairweather was re-elected president of the Walker School Mothers Club, in its meeting last Wednesday. 33 mothers and 4 teachers were present for the regular monthly meeting.

Mrs Rush Maser was elected Vice President, Mrs Edith Pololan Secretary, and Mrs Marilyn West was elected Treasurer.

A vote of thanks was extended to the outgoing Vice President and Treasurer, Mrs Frances Rasmussen, and Mrs Shirley Hogg.

Following the business meeting a successful Silent Auction was held. Refreshments were served by Frances Rasmussen, Mildred Cavanaugh and Ethel Butters.

Because of the Open House of the Walker School, on Tuesday, from 7 to 9 pm there will be no November meeting. Refreshments will be served downstairs in the lunchroom by members of the club during the openhouse. There will also be a display of lovely pieces of costume jewelry at a modest price, for purchase by the ladies, for their own use or as Christmas gifts.

Parents are invited to attend the open house, which will afford an excellent opportunity to talk with the teachers, and see the children's work on display.

The next regular meeting of the Walker Club is planned for Wednesday, December 2nd.

**SEACRAFT SKATES TIES
 WOBURN 6-6**

Hank Moriarty started the Wilmington Seacraft Skates to a good start, Tuesday night, in the first period, when he scored a goal. He was followed by Damon Hurlbert with a brilliant unassisted goal. Hurlbert went the whole length of the rink with his puck, to make it.

The second period opened 2-2. Buddy Chambers soon changed it to 3-2, but the Woburn Bruins came back with two goals before the end of the period.

The third period was a battle all the way. Buddy Chambers made two more goals, assisted by Hank Moriarty, but the final score was an even 6-6. Frank Scott played a great game as goalie.

**WILMINGTON FORD 3
 LYNNFIELD BRUINS 1**

Wilmington Ford's Hockey Team made it three straight, in league play, Monday at the Frost arena in Lawrence, winning 3 to 1 over a strong Lynnfield Bruins club.

The Bruins scored at the mid point of the first as Archie Armstrong blazed a shot by Wilmington Goalie Regrie Hurlburt, after a nice pass from John Carter.

Wilmington evened the score in the second on a goal by Damien Hurlburt assisted by Nick Nickerson. With but two minutes to go in the second, Chambers took a long lead pass from Damien Hurlburt and went in alone to beat the Bruins Goalie, Ed Arrington.

The game was nip and tuck until one minute and 30 seconds to go. The first penalties were then called one to Reg Chambers for roughing, and one to Leo Sullivan of Lynnfield for an illegal check plus misconduct. McBurnie of Lynnfield was also benched for roughing, giving Wilmington a one man advantage.

Lynnfield pulled their Goalie for an extra man, with but 50 seconds to go, and Ben Sands fired a long shot from inside his blue line, to clinch the game.

Next week: Mitre.
